

Find Your Path

Self-Paced or Guided 18-month
Tantra Practitioner Training?

Choosing the right Tantra Practitioner Training is an important decision.

Whether you're exploring Tantra for personal growth or envisioning and/or expanding a professional career in this transformative field, we're here to help you choose the program that aligns with your goals and lifestyle.

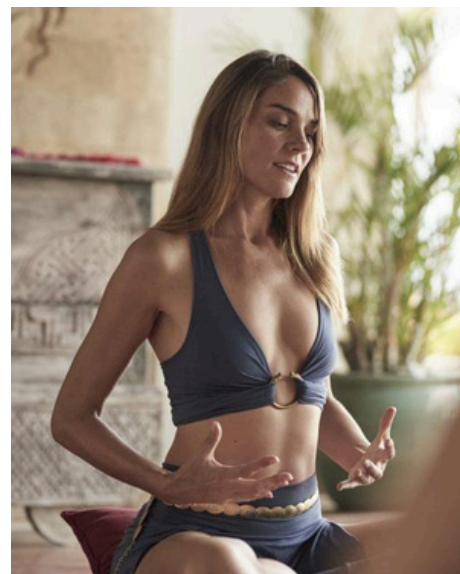

We offer two distinct programs, and the following information is here to support you better understand what each offer.

Are you looking for flexibility and self-guided learning?

- Do you want to study at your own pace, integrating Tantric teachings into your life, on your own schedule?
- Are you self-sufficient and motivated to access our comprehensive learning materials—videos, manuals, guided audios, and demonstrations—that you can revisit whenever you need?
- Are you curious about Tantra as a way to explore love, relationships, and sexuality without needing professional certification right now?
- Do you have prior experience or qualifications in a similar field, and are looking to deepen and strengthen your practice with Tantric practices and teachings, without the need for supervision, assessment or feedback?

If so, the Self-Paced Tantra Practitioner Training may be right for *You*

What's included?

- 100 hours of online training materials + up to 300 hours of suggested personal study and practice
- 13 modules focused on foundational Tantra practices, self-exploration, and relational growth.
- 54 video trainings, a 350-page manual, 30 guided audios, and 22 demonstration videos.
- A supportive online group, where you can connect and share with peers.
- Discounted access to our in-person practitioner training retreat if you have completed up to Module 4 of the training by the retreat.
- Certificate of Completion, acknowledging your dedication and foundational knowledge.

INVESTMENT \$4,497 offering a cost-effective pathway to deepen your Tantra practice.
